PRESS NOTE

Centre of Excellence in Maritime and Shipbuilding (CEMS) Vizag in coordination with Visakhapatnam Port Authority imparting training in latest software and hardware technology.

As a part of training, students are being trained / educated in courses viz., Inventory Controller, Courier Supervisor, Warehouse Executive, CNC Machine Operator, Welder, and Electricians. Approximately 25 girl students as a special drive (Women Empowerment) have been trained in Inventory Controller course of 60 days starting from 1st March 2024 to 30th April 2024.

Addressing the students, Dr. M. Angamuthu, IAS, Chairperson, Visakhapatnam Port Authority, complimented students in passing out and distributed Course Completion Certificate to all the 25 girl students and to those who got placements. He informed that the students should plan for higher studies and to opt for jobs in neighbouring cites as well as at other developed cities also. He wished all the girls to be positive in their approach and bring laurels to their institution.

The Head of the Institution informed that out of 25 girls 17 students have been given job offer letters for placement at Hyderabad in reputed institutions.

Shri Durgesh Kumar Dubey, IRTS, Deputy Chairperson, Heads of Departments, Senior Officers, Officials of CEMS and Students participated.
