CIRCULAR

Sub: Handling of vessels in Inner Harbour - Reg.
Ref: 1. This Office Circular No. IMAR/MSS/F N M/7007/09, dt.24.12.2009
2. Chief Engineer/VPT's Lr.No.IENG/EE(PPP)/EQ-8&9/VSPL/2015/338, dt.27-05-2015

***

a) In partial modification to the circular 1st cited, it is to inform that the vessels with following maximum drafts with required tide can be sailed out from Inner Harbour during night with immediate effect in calm weather conditions:

i) LOA < 210m, maximum draft 12.00 m
(at EQ-1, WQ-1, WQ-2 and WQ-3 berths,)

ii) LOA from 210 to 230m, maximum draft 10.20 m
(except EQ-2 (part), EQ-3, EQ-4 berths & OR-1, OR-2 & Fertilizer Berth)

b) With reference to CE/VPT's letter 2nd cited, it is to inform that the vessels having maximum draft of 11.50 m can be handled initially at EQ-8 berth in Inner harbour during day light hours in calm weather conditions with immediate effect. The draft of vessels will be gradually increased to 12.50 m in due course with required tide and calm weather conditions in day time.
