

VISAKHAPATNAM PORT AUTHORITY
TRAFFIC DEPARTMENT

No.ITRA/SHP/FCIR

Dt.17.12.2021

TRADE CIRCULAR No: 1437

Sub: Traffic block on account of developmental civil works from RCL stack yard to Delta pond and pavement of road from KR & Sons south junction to LC-13 corridor junction in port area-Reg.

On the request of the trade during the PWC meetings taken by Chairman/VPA, the re-grading of existing damaged CC block pavement road including construction of drainage facilities along the road from RCL stack yard to Delta pond and development of CC block pavement at KR & Sons south junction to LC-13 corridor junction in port area has already been taken up by Civil Engineering Department of VPA.

In this regard, it may be noted that in the 2nd phase of the said work, full stretch of road between KR & Sons south junction to LC-13 corridor junction has been taken up and accordingly it is required to restrict traffic block on the said stretch of road for a period of one month from 13-12-2021 onwards or till completion of the subject work. Accordingly, the cargo carrying vehicles destined to ply on the said stretch of road will be required to use the adjoining side road (i.e through L-13 corridor and the side road of KR & Sons weighbridge) for movement of the vehicles.

All concerned Stevedores and Stakeholders are requested to make a note of the above diversion of traffic due to the subject block in regular movements and also to cooperate with the Port/Contractor working at site for expeditious completion of the developmental work.

TRAFFIC MANAGER

(Notifying Authority: Chief Engineer vide Lr No: IENG/E.E(West)/157/Bills/2021/298, Dt: 13/14-12-2021)
