Sub: Development of 4 lane road connectivity from existing East Breakwater
Up to Convent junction - Main carriageway development - Reg.
Ref: CE's Lr.No.IENG/EE(D)/EBW/Pt-IV/2023/72, dated 03.02.2023

In reference to the directives from the Competent Authority, permission was accorded for diversion of traffic in view of ongoing widening road work from Convent junction to East Breakwater road, to avoid hindrance to traffic flow & progress of work.

In view of the above, Traffic on the following stretch will be diverted in both directions (incoming & outgoing traffic) by one route only i.e, through **VCTPL - RFID gate - S3-S4 sheds - Adani office road – TM office road – Convent junction** so as to carry out the road widening work in the aforesaid location.

This is for information and necessary compliance
