Sub: Operation and maintenance of newly developed Truck Parking Terminal located in between INS Dega and Solar Power Plant connected to Port connectivity Road- Reg.

Ref: 1.This office circular -1636, No. ITRA/REV/FTruck Terminal, dt.25-09-2023.

2. This office circular -1646, No. ITRA/REV/FTruck Terminal, dt.23-10-2023.

---

With reference to the above subject cited, it is to inform that a new Truck Parking Terminal has been developed at the aforesaid location having all modern amenities for handling of Trucks and Trailers for their safe parking and waiting at the highway in the prominent location of the Port connectivity road. The said terminal has all the facilities required for the drivers and helpers of the vehicles as should be available in a modern Truck Terminal. The said Truck Terminal has got facility to accommodate 666 Trucks and accordingly, the Trade is required to avail the facilities created by the Port so as to ensure that no unauthorized parking is made on the highway or in the vicinity of the port operational area and in order to maintain free flow of vehicular traffic to VPA and VCTPL 24/7.

The speedy movement of cargo carrying vehicles and container trailers is severely getting hampered due to un-authorized parking of cargo carrying vehicles, Road Tankers and Trailers as well as other equipments on the road and accordingly, all such vehicles are mandatorily required to be parked their vehicles at the aforesaid Truck Terminal. In this regard, it is for information of the Trade that, any un-authorized parking of vehicles found on the stretch of Port connectivity road between Sheela Nagar Junction to Convent Junction will be penalized with the applicable penalty of un-authorized parking as per the rates prescribed in the VPA SoR. Moreover, the road patrolling of the Police Authorities will be more vigilant and may register appropriate case against such unauthorized parking on the connectivity road.

Accordingly, all stakeholders are once again requested to avail of the services at the aforesaid Terminal for parking of their vehicles. Moreover, the earlier Two Truck parking Terminals near to RCL have been closed for parking and the said area will be utilized for stacking of cargo on short term license in future.

The above shall be implemented with immediate effect.
