OFFICE CIRCULAR NO. 1729

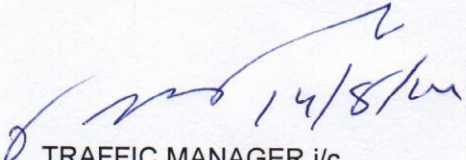

Sub: Development of existing 2 lane road to 4 lane road from convent junction to exit gate of VCTPL (Phase – i) – Traffic Block - Reg

Ref: CE / VPA Lr. No. IENG/EE(P&D)/EBW/2024, Dt. 14-08-2024

This is with reference to the site inspection of Four lane connectivity road between Convent Jn to Eastern Break Water on 13 Aug 2024 by VPA and NHAI officials.

During the visit it is observed that this road work is extended beyond it's time line due to rains Etc., hence it is felt to take up this stretch of road on war footing considering the Trade interest.

However a stretch of 100 mtrs near Ross Hill found to be narrow and needs traffic block of 3-4 hrs from 6am to 10 am from 14 Aug to 20 Aug 2024. Hence request the Trade to plan their vessel connections accordingly.
