TRADE CIRCULAR NO - 1732

To
All Trade

Sub:- Hoisting of Proper Save All nets at all working hatches of the vessel – reg.
Ref:- 1.This office Circular No. 1624, dt. 01/03-08-2023.
2.This Office Circular no. 1725

Please refer to the reference cited.

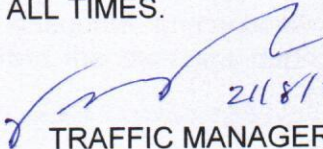

It is observed that the concerned stevedores are not hoisting proper Save all Nets at the working hatches of vessels carrying out Cargo Handling operations of bulk cargoes. Further, due to hoisting of torn and worn out Save all nets at the time of Cargo Handling operation, some quantity of cargo handled, is falling into the sea water resulting in contamination of sea water and also contributing to the decrease in permissible drafts at berths.

Therefore, you are hereby requested to hoist proper Save all Nets, while handling bulk cargoes, failing which this department will be left out with no other option but to forcefully hoist the specialized Save all Nets available with Port and collect the charges applicable towards the costs of Save all Nets as mentioned in the SOR/VPA from the handling agents.

In addition to the above, the cost of labour involved in the process of hoisting Save all Nets at such hatches will also be levied on the concerned Stevedore.

Hence, in view of the above all the trade members are hereby once again requested to comply with the instructions as mentioned above in toto.

ASSURING YOU OF OUR BEST CO-OPERATION AT ALL TIMES.
