

VISAKHAPATNAM PORT AUTHORITY
TRAFFIC DEPARTMENT

To
All Port Users

No.ITRA/SHP/FTPT
Dt. 07-10-2024

CIRCULAR No-1739

Sub:- Mandatory use of Truck Parking Terminal to take daily passes by the outstation trucks/dumpers intended to enter the dock area for delivering/receiving cargo-reg.

- Ref:- 1) This office Circular No.1636 dated 25/27-09-2023
2) This office Circular No.1646 dated 23-10-2023
3) This office Circular No.1707 dated 20-05-2024
4) This office Circular No.1715 dated 05-06-2024

It is, once again inform to all Port users that a new Truck Parking Terminal has been developed in between INS DEGA and Solar Power Plant connected to Port connectivity Road having all modern amenities for handling of Trucks and Trailers for their safe parking and waiting at the highway in the prominent location of the Port connectivity road. The said Truck Parking has got facility to accommodate 666 trucks and operational in all the 03shifts in a day.

It is regretted to state that even after repeated instructions issued vide reference 1st to 4th cited, the trucks are being parked un-authorizedly mostly near to the weighbridges and on the roads near to the stockyard after completion of weighment and/or loading has severely jeopardized the movement of road bound traffic to/from the Dock premises, as well as from the stack yards even after operationalization of the said truck terminal at a strategic location.

Also it has been instructed that all outstation trucks should invariably enter the Truck Parking Terminal & obtain daily passes. However, it is observed that for outstation trucks also, weekly passes are being taken which is nothing but deviation of Port Instructions.

Therefore, it is mandatory to obtain daily RFID passes at Truck Parking Terminal for outstation trucks/dumpers which intend to enter the dock area for delivering/receiving the cargo duly fulfill all necessary documentation requirements.

All the Port users to take a notice with immediate effect that any un-authorized parking of vehicles found on the stretch of Port connectivity road between Sheela Nagar Junction to Convent Junction, mostly near to the weighbridges and on the roads near to the stockyard after completion of weighment and/or loading will be penalized with the applicable penalty of un-authorized parking as per the rates prescribed in the VPA SoR & outstation trucks shall invariably enter dock area with daily pass issued at Truck Parking Terminal only.

This comes into force with immediate effect.
