TRADE CIRCULAR-1770

Sub: APPCB-RO,VSP-M/s. VPA, VSP district& M/s. Adani Gangavaram Port Limited.
(Formerly Gangavaram Port Limited)- Complaint revised from Sr. Lakshmana
Guntreddi,, Vsp district -instructions issued— Reg.

Ref: 1.CE Lr.No: IENG/EE/Env.CeLL/APPCB,dt: 11-12-2024,along with APPCB-Ro
2. CE Lr.No: IENG/Env.Cell/TF/TM/,45, dt: 19-12-2024.

With reference to the letters cited, all the PPP/BOT/ Bulk Cargo Handling Users / parties were advised to ensure to comply all the APPCB-RO, Vsp directions to implement the measures to reduce the dust levels in the surrounding areas to maintain good Air Quality and in addition to comply the directions issued in this regard time to time.

The below observations were made by the APPCB-RO, Vsp

- 1.Maintain mechanism to cover all dusty cargo carrying trucks/wagons with tarpaulins and spillage containment measures during transportation of dusty cargo material to destinated locations.
- 2.Prepare plan of action to minimize the vehicle movement duly computing the present and future requirements of the Port activities.
- 3.All the spillages of chemicals/cargo waste shall be contained at source and shall be cleaned regularly.
- 4.Provide additional checking points at gate to ensure non vehicle shall cross the Port premises without proper coverage and over loading of cargo.
- 5.Random Checking of vehicle condition (At Gates).

To check the dust pollution at VPA-Index values were taken on 11.12.2024 in the city by the statutory authority (APPCB-RO) and state Gov' of India and Air Quality values are recorded more than permissible level. Hence, it is requested to all Trade to comply above observations strictly and implement suitable measures to minimize dust pollution, otherwise action will be imitated for non- compliances per the extend rules.

In view of the above, all concerned are advised to note and act accordingly.

Assuring you of our best efforts services at all times.
