PUBLIC NOTICE

Date: 04.02.2025

Ref No.: IENG/Estate/Re-org

Subject: Reorganization & Revamping of Stocking/Stacking Areas of Visakhapatnam Port Authority

The Visakhapatnam Port Authority (VPA) is undertaking a strategic reorganization and revamping of its stocking & stacking areas to enhance operational efficiency and optimize land utilization to support the increasing cargo demand.

Reorganizing the stocking & stacking areas would enhance the port's throughput and revenue by enabling better utilization of available land. This initiative is also essential for improving the port's capacity, ensuring smoother operations and meeting the future needs of trade and logistics.

This reorganization may impact the existing lease/license agreements in the subject area and necessary adjustments may be required to align with the new land allocation strategy. VPA is committed to ensuring minimal disruption during the transition and will implement the changes in a phased manner.

We encourage all stakeholders to stay informed and cooperate during this process. For further details or inquiries, please feel free to contact us at ce.nsrn.vpt@gov.in & cevizagport@vpt.shipping.gov.in.

We appreciate your support and collaboration in making this initiative a success.

Your Sincerely,

Sd/-
