"At present 6 lane road works are going on in the port road and many number of Heavy Vehicles are moving during these works to carry the materials.

Further, rehabilitation works of Sardar Vallabhai Patel (Parallel Bridge) Bridge is also under progress and all traffic is being diverted towards VDR Junction, Maurti Circle to Visakhapatnam City.

In this regard, frequent complaints are being received through social medial/print media about the increased pollution released on the roads when outdated polluting heavy vehicles are moving in large numbers in and around Visakhapatnam Port Authority.

Therefore, all the Port users/ Transporters are requested not to operate outdated polluting vehicle for transportation of cargo to and from the Visakhapatnam Port Authority, failing which, necessary action will be initiated as per the extent rules.
