No: ITRA/SHP/FCIR
Dt: 23-06-2025.

CIRCULAR No: 1822

Sub: Indiscriminate spillage of cargo over the roads by Truck Drivers- Reg.

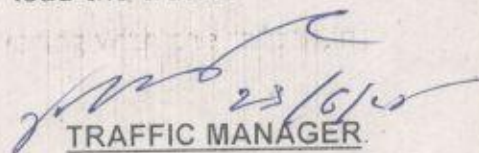

It observed in the recent past that a lot of spillage of cargo is taking place in the following locations due to non-covering of trucks with tarpaulins and most of truck owners have loaded the vehicles up to brim and they are covering with the tarpaulins on the roads instead of stack yards.

1. Six lane road of NH yard on both sides.
2. EQ 1 Terminal Road
3. Road from Seafarers club to Dock area main gate.

Due to this menace spilled cargo is sticking to the road and becoming slippery, which may lead to accidents and causing damage to the road thereby diminishing the service life of the road.

Keeping in view of the above, all the Port users are hereby directed to cover the trucks with tarpaulins in the stack yard itself and not to over load the trucks.

The above shall be complied with immediate effect.
