CIRCULAR No-1835

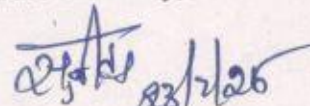

Sub: Regulation of Vehicle Movement and Parking in Port Area-System
Streamlining-Reg

All Port Users are hereby once again informed that in order to ensure smooth movement of vehicles, decongestion of port operational areas, and better regulation of logistics within the Port premises, the following measures are being considered/implemented with immediate effect:

1. Mandatory Parking Slip for Outstation Vehicles: All vehicles arriving from outside Visakhapatnam are required to first report at the Truck Parking Terminal and obtain a parking slip before seeking entry into the Port. This measure is aimed at better coordination and efficient use of parking infrastructure.
2. Issuance of weekly and monthly vehicle entry passes will be discontinued to the Stake holders/Port users, whose vehicles are parked un-authorizedly in Port Area. Only daily entry passes shall be issued through the designated Truck Parking Terminal to streamline and control the number of vehicles within the Port area.

All stakeholders are requested to extend their cooperation in implementing the above measures for the benefit of overall Port operations and trade facilitation.

Yours faithfully,

TRAFFIC MANAGER
